About Us

Welcome to Goia Packaging, your reliable source for high-quality disposable food packaging products.

One-Stop Shop

We are proud to be a leading manufacturer of eco-friendly disposable food packaging solutions. We offer a wide range of products, from paper cups and plates to food trays and bowls, all made from sustainable materials and designed to help reduce waste and promote sustainability.

With offices and production facilities in Turkey, China, and Spain, we are able to serve customers around the world with fast, efficient delivery and exceptional customer service.

Exceptional Customer Service

At Goia Packaging, we also believe in providing exceptional customer service. Our knowledgeable and friendly staff are always available to answer your questions and help you find the products that best meet your needs. We take pride in our ability to work closely with our customers to develop customized solutions that meet their specific requirements.

Eco-Friendly Products

We're passionate about food and the planet. We believe that enjoying delicious meals should never come at the cost of harming the environment. That's why we've been dedicated to creating sustainable and innovative disposable food packaging solutions for over a decade.

At Goia Packaging, we live by our slogan, 'Pack. Eat. Toss. Repeat.' We believe that it's possible to enjoy delicious meals on the go without harming the planet. Join us in our mission to create a sustainable future, one meal at a time.
